

Tough choices.

Each one a great way to go.

- 156-hp, 2.4-liter, 15-valve i-VTEC engine
- · 5-spood automatic tronsmission
- · 4-wheel dire brakes with AIM
- · Dual-stage, dual-threshold front eirbags (SRS)
- . Front File airbags with Occupant Position Detection System (OPOS)
- . Side curtain airbags with rollover sensor
- Vehicle Stability Assist (VSA*) with trection control
- AM/FM/CD/cassette audio system
- · Air conditioning with air-filtration system
- . Power windows, side mirrors and door locks
- · Immobilizer Thait-Deterrent System
- . Was split sliding fold & tumble rear seats
- · Remote entry system

and it's un surprise it becomes a favorite. Consumer Guide' named CR-V a Best Buy in the compact SUV segment for '05. And the Automotive Lease Guide gave it their Compact SUV Residual Value Award the same year. Now it's your turn to pick a winner.

CR-V 4WO LX

Addis to IIME LX features:

" Real Time" I wheel-drive armore

CR-V WD Sporial Edition (SE)

And in a replaces IVID Ex features:

- 5-speed automatin is a warm mission.
- Leartwo trimward interior.
- · Heated front saving
- Heated power side mirrors
- · Body-colored bumpers, and molding and door handles
- Body-colored hard spare tire cover

CR-V 4WD EX

Adds to a replaces 4WD LX features:

- 5-speed manual transmission
- Available 5-speed Transmission
- AM/PM/XM Ready 1/6-disc in-dash EII changer/cassette audio system with II speakers
- Steering wheel-mounted audio controls
- · Power moonrool with III feature
- 16' alloy wheels, including spara
- · Exterior temperature indicator
- · Rear privacy glass
- · Body-colored power side mirrors

The CR-V packs lots of luxury within its no-nonsense, capable self. You immediately appreciate its low step-in height and surprising spaciousness. Its plush seats offer a commanding view of the road. Step up to CR-V Special Edition and, along with unique exterior styling cues, you'll also enjoy its supple leather trim, a leather-wrapped steering wheel, heated front seats and heated side mirrors.

An amenity-rich cabin awaits as you activate the remote entry system that's integrated with the key. Inside every CR-V, you'll enjoy a host of standard features reflecting Honda quality. And the Immobilizer Theft-Deterrent System can help keep it all secure.

An available mossroof freshens the drive.

Get standard power windows and mirrors.

Cruise control an easy way to thomb a ride.

Sound solutions - from CDs to XM readiness.

Load up.

It's great to get all the goods.

Completely comfortable.

Automotive experts like to say that the CR-V cabin is "well-appointed." That just means it has all the things you want – like comfortable seating, ergonomically positioned controls, quality materials and pleasing extras like air conditioning with air filtration to minimize dust and pollen.

A higher form of radio.

Get over 150 channels of digital-quality sound when you equip your XM Ready' EX or SE with an accessory XM Satellite Radio' receiver. All music channels are commercial-free. Plus, you can get traffic and weather info in most major U.S. cities as well.

The CR-V has but one goal: to help you accomplish your goals, whatever they may be. So we built it to be amazingly versatile and adaptable. There's room for up to five adults, loads of different storage and seating configurations, and a lot of mum for cargo, unit

Undeniable utility.

Step inside and the CR-V is at the ready with a host of bins and door pockets, beverage holders for folks both in front and in the back, and men front and rear 12-volt power outlets. And there are plenty of tie-down anchors to keep things were.

The swing-up glass batch eases access

Vork it out.

Tough tasks made easy.

Forget the rack - just load in your bikes.

The retractable center tray can make way. Big storage bins keep things close at hand.

Life in a CR-V really can be a picnic.

Pull out the rear storage well cover and extend its legs and you have a handy, go-anywhere picnic table. Or eard table. Or work table. It's just one example of smart CR-V versatility and utility. When it's out, you have access to another thoughtful touch - a large waterproof storage bin.

"Horsin reminds you to processly secure stored stated in the cargo were.

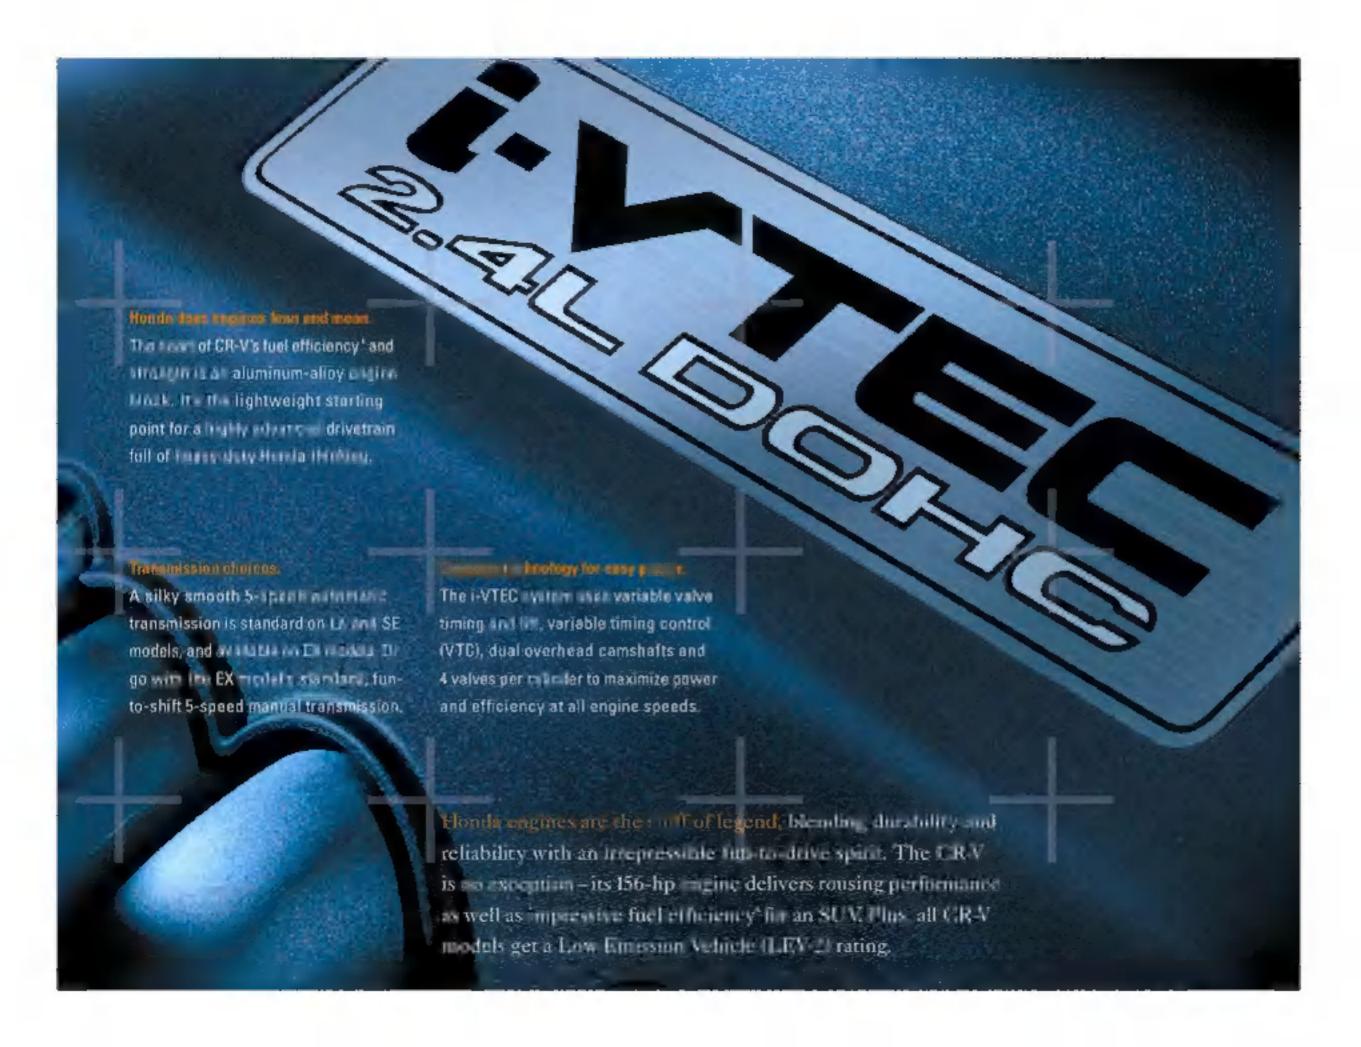

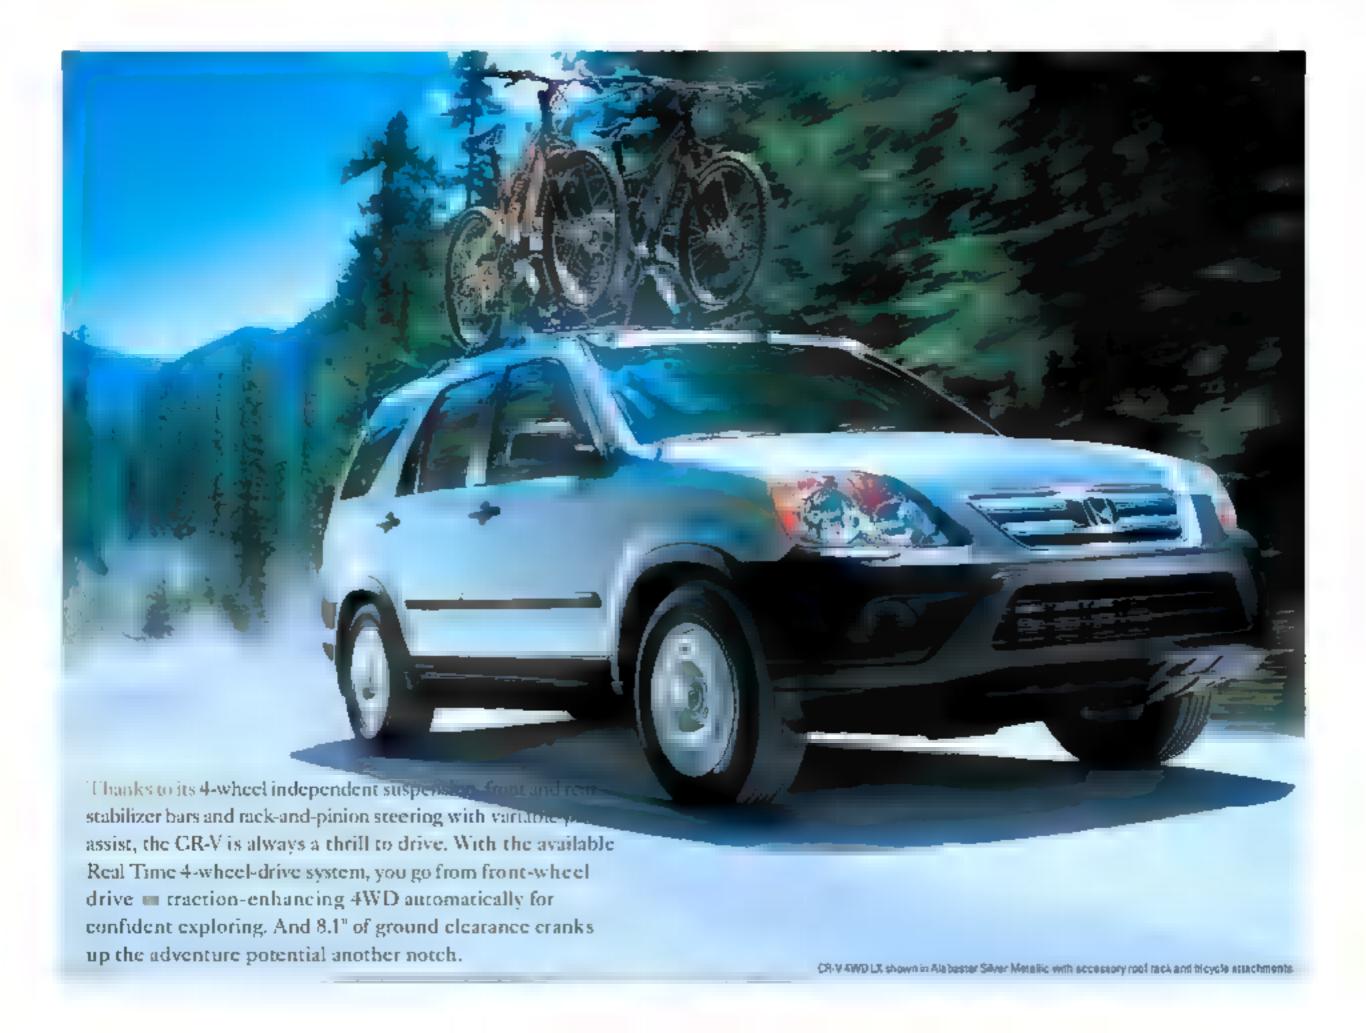

60/40 split decisions.

The 60/40 split rear seats can help you carry people and cargo in a variety of combinations. The seats each slide and recline independently, so you can carry lot of gear along with a rear passenger or two. Tumble both seats forward to open a remarkable 72 cu. ft. of cargo room.

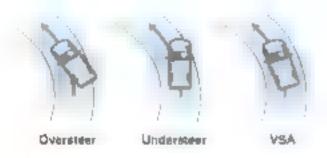

Fleady yourself.

Crashing cars can save lives.

At Honda, we're focused on the continued development of Industry-leading safety systems. Our man research facility in Ohio feetures the world's most advanced high-resolution grash barrior. And our center in Tochigi, Japan, houses the world's limit indoor all-directional crash-test facility.

Stay the course.

In an oversteer or understeer condition,

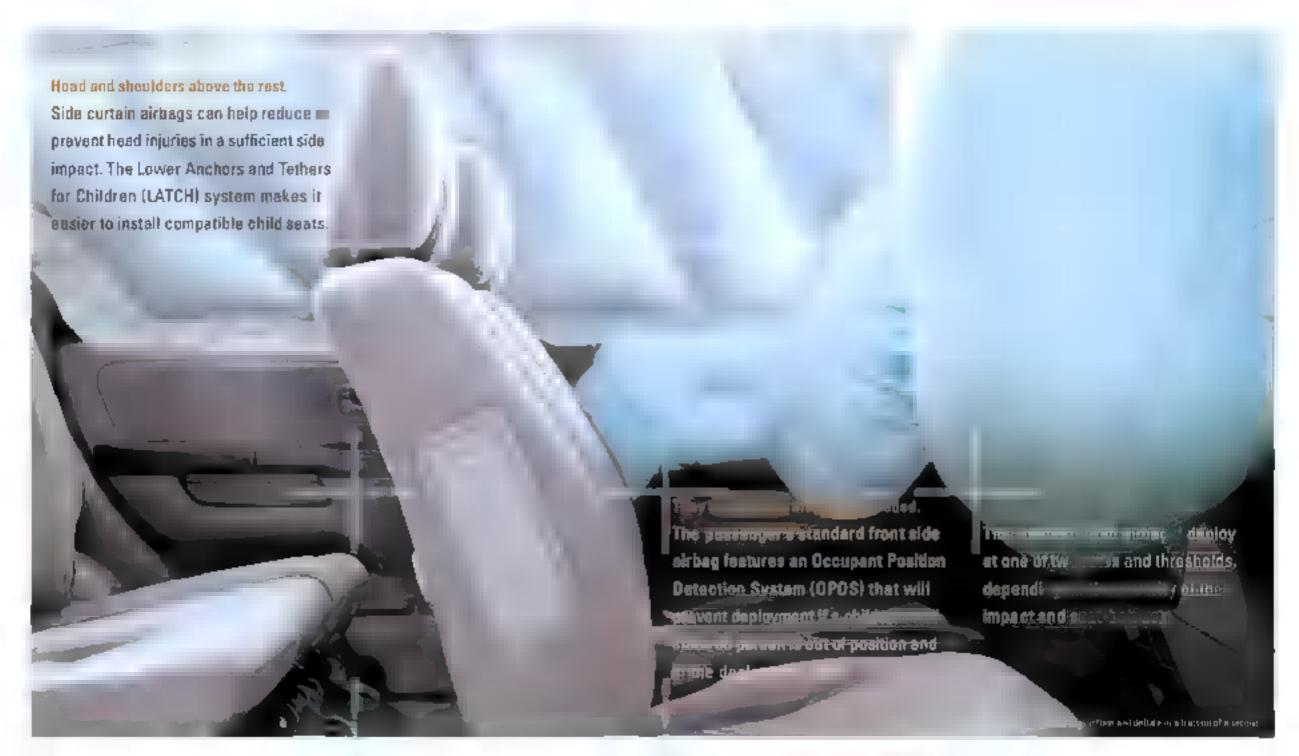

standard Vehicle Stability Assist (VSA)

system autometically regulates the brakes
and/or throttle to help keep the vehicle in
the intended path of travel. And standard
anti-lock braking (ABS) helps to maintain
steering control during hard braking.

Honda's philosophy of Safety for Everyone in seen in how every CR-V comes complete with side currain airbags, anti-lock brakes (ABS) and our Vehicle Stability Assist (VSA) system. It's a thorough array of features that has earned it a 5-mm front and side crash-test rating—the highest possible.'

*National Highway 5: Mile Sullate Alphanatication Explicitly and employees the text. May 2502 Model to be with marked invite impact and against SABA: Sometimen in a categorial part of the Monoral Highway Totals. Sallaty Administration - NIRESA: New Sall Assessment in again 19047. Count as Sallate government of the Provide reminds you and was passengers to always burste as: Children 12 and under one sallad after properly resourced on the marks as.

Protection without, protection within.

The rigid safety cell is reinforced with high-tensile steel and numerous cross braces to help stop cabin deformation.

And front and must crumple zones deform in a controlled must to help absorb crash energy before it even has a chance to intrude into the passenger cabin.

Higher tech.

Dreams are our drawing board.

Honda Motor Co. was founded in 1948 to help people get around. We quickly

became one of the world's top motorcycle makers – the first of our many successes. Listening to people and understanding their needs has always been first. So we develop and build many products where they're used.

Safety, reliability, Earth-friendliness and driving fun are must-haves.

And we believe in the power of ingenious thinking to make great things possible.

At Handa, we're working full time to make Safety for Everyone.

Through a comprehensive and evolving approach to inflicin safety, finning seeks to provide a high level of occupant and pedestrian protection in our cars and trucks, regardless of time or price, as well as increased crash compatibility with other vehicles.

Over 27,500 American associates pitch in.

Honda has assembled cars in the U.S. since 1982. Today, close to 4 out of 5 Honda vehicles sold in the U.S. are assembled in North America – with the help of over 550 U.S. supplier companies.

Power up.

Our generators, outboard motors.

motorcycles, lawnmowers, tillers, pumps, snowblowers, cars, trucks and more add up to making Honda the world's largest manufacturer of engines. And every one of them performs like, well, a Honda.

We're not afraid of the water.

Between our highly regarded

AquaTrax personal watercraft
and our lineup of outboards
from 2 to 225 hp, Honda gives you
plenty of ways to enjoy the wet stuff.
